The restaurant's name, "Cocina Que Reconforta" (Comforting Kitchen), reflects the essence of its dishes - meals that not only fill you up but warm your heart.

Breakfast (Desayunos)

When you step into Mermelada Cocina Que Reconforta for breakfast, you're in for a treat. The "Desayunos" (Breakfast) menu brings a variety of delicious and comforting options that set the tone for a great day ahead. Whether you crave something light or are in the mood for a more filling breakfast, Mermelada has you covered. A standout dish is the **Chilaquiles**, a Mexican classic. The crunchy tortilla chips are topped with a rich, flavorful sauce (either red or green), and can be paired with eggs, chicken, or beef for extra protein. This dish is the perfect balance of spice, crunch, and flavor.

For those who prefer something a bit sweeter, the **French Toast** is a must-try. It's fluffy, golden, and served with a generous drizzle of syrup, fresh fruit, and a dusting of powdered sugar. It's the perfect combination of sweet and savory to start your morning. The **Mermelada Waffles** are also a popular choice, soft and light, with a variety of toppings like fresh berries, whipped cream, and, of course, a dollop of their

signature jam. These dishes showcase Mermelada's ability to combine local ingredients with familiar comforts, making each bite feel like home.

Lunch (Almuerzos)

Moving into lunch, Mermelada Cocina Que Reconforta really shines with its **Almuerzos** (Lunch) menu. The dishes here are designed to be comforting yet innovative, giving diners a unique dining experience. One of the top picks is the **Mermelada Burger**, a succulent, juicy patty made from high-quality meat, topped with a special house-made sauce, lettuce, tomato, and melted cheese. The burger is paired with a side of crispy fries, making it a fulfilling option for those in the mood for something hearty.

For those looking for a lighter, healthier option, the **Grilled Chicken Salad** is the perfect choice. The chicken is tender and flavorful, complemented by a fresh mix of greens, avocado, and a zesty vinaigrette. It's a light yet satisfying meal, perfect for those who want to enjoy a nutritious lunch without compromising on flavor.

If you're craving something more traditional, the **Tacos al Pastor** is a must-order. The tender, marinated pork is cooked to perfection and served with fresh pineapple, cilantro, and onions, all tucked into warm, soft tortillas. The combination of sweet, savory, and tangy flavors is mouthwatering. Another favorite is the **Ceviche**, which is bursting with fresh, tangy flavors from the seafood, lime, and cilantro - a perfect dish to refresh the palate during a sunny day in Cancún.

Kids' Menu (Menú Infantil)

Mermelada Cocina Que Reconforta also understands the importance of catering to younger diners with their **Menú Infantil** (Kids' Menu). This section of the menu is designed to satisfy kids' tastes while still maintaining the quality and flavor that the restaurant is known for. One of the most popular items is the **Mini Burgers**, which are smaller versions of the adult burgers but just as delicious. Paired with a side of crispy fries or fresh fruit, this dish is a hit with little ones.

The **Chicken Tenders** are another favorite among children. The crispy, golden-brown coating gives way to tender chicken inside, making it an ideal option for younger palates. And for something a bit more adventurous, the **Mini Tacos** are a fun way for kids to try the traditional flavors of Mexico. These soft tortillas are filled with either chicken or beef and topped with fresh, crunchy vegetables - a great way to introduce children to authentic Mexican cuisine.

For a sweet treat, the **Chocolate Milkshake** is always a favorite. It's creamy, rich, and indulgent - the perfect way to wrap up a meal for kids.
